Subject :- Press Coverage of Tree Plantation Project at 109Bn CRPF, Mongsangei on 13th Aug., 2011.

Dear Sir,

The Lions Club of Imphal Greater in collaboration with 109Bn CRPF is organizing a Tree Plantation Project at Mongsangei on 13th Aug., 2011 from 7am onwards. The tree plantation programme is under the environmental project undertaken by the Lions Club of Imphal Greater which is one of the Humanitarian Clubs serving in more than 180 countries. This project was taken up on the occasion of "Patriots Day" remembering the brave heroes of Manipur. We are planting around 300 trees in and around the 109Bn CRPF Campus, Mongsangei as a step towards making this place more beautiful and greenery.

Our District Governor, Lion Amar Barooah(PMJF), Dist 322-D and Commandent, 109 Bn. CRPF Shri H. Premjit Meitei will also join us.

Your press/media coverage will enable the very cause of LIONISM and also will help other organization to take up similar works which is the need of the hour to make a more greener Manipur.

In this regard, I, on behalf of Lions Club of Imphal Greater would like to request you kindly to extend your kind cooperation by covering up this Project.

Programme : starting 7.00 am
Preferred coverage timing : 9-10 am

With warm regards

Sincerely yours,

(Lion Thongam Arun)
