NERIST releases the list of rejected candidates for Imphal center. The rejection of the application form for the entrance examination is due to anomalies in filling up the entrance exam application form. On request by a group of Manipuri faculty, the authority of NERIST has kindly consented to reconsider the forms which are rejected on the ground of *CODE MISMATCH*.

For the state of Manipur, since there is no reservation for the OBC, those candidates who have marked their reservation code for OBC may change to General. The reservations from Manipur are under General, SC and ST categories only.

The application for the request for reconsideration and change of reservation code can be send to the Director, NERIST on or before 2nd April 2010 to the below address:
