RASHTRIYA MADHYAMIK SHIKSHA ABHIYAN, MANIPUR

(A Scheme for Universalisation of Secondary Education)

Rashtriya Madhyamik Shiksha Abhiyan (RMSA) is a new centrally sponsored scheme launched by the Government of India in 2007 for universalisation of access to and improvement of quality at the secondary and higher secondary stage. The vision of the scheme is:

- To provide a secondary school within a reasonable distance of any habitation, which should be 5 kilometers for secondary schools and 7 -10 kilometers for higher secondary schools.
- Ensure universal access of secondary education by 2017 (GER of 100%), and universal retention by 2020
- Providing access to secondary education with special references to economically weaker sections of the society, the educationally backward, the girls and the disabled children residing in rural areas and other marginalized categories like SC, ST, OBC and Educationally Backward Minorities (EBM).

In Manipur, the scheme began implementation with preparatory activities during 2009-10 and is poised to boost the secondary education by strengthening and expanding the facilities available at secondary schools, appointment of additional teachers, improvement of quality of education at this level of education, removing barriers to secondary education by providing incentives to special focus groups and above all by making education affordable for all.
