

young ecologists talk & interact

a conference for and by ecology students and researchers in India

SECOND CONFERENCE 5th - 7th October 2010
Indian Institute of Science, Bangalore

what is YETI?

Young Ecologists Talk & Interact (YETI) is a conference for students and researchers working in the discipline of ecology in India. This event is meant to serve as a friendly, inspiring platform for early-career ecologists to present and discuss their work, exchange ideas, and maybe even strike up collaborations with contemporaries from all over the country. YETI is unique in being **entirely organised by student volunteers**. Following the success of YETI last year, the 2010 YETI is also being organized in Bangalore, but we hope that in the coming years YETI will travel to other parts of the country.

who can present & attend?

Researchers pursuing a PhD/Masters degree/Post-Doc/working as project assistants, affiliates, etc. at institutions, universities, non-government and other organizations involved in research in ecology, evolution, animal behaviour, and conservation science across India are invited to make oral/poster presentations at YETI. **However, anyone interested in ecology is welcome to attend YETI.**

activities at YETI 2010

- Plenary talks by invited senior ecologists
- Oral and Poster presentations on completed/ongoing/proposed work
- Workshops on career skills in ecology
- Invited popular talks/slideshows
- Informal interactions and discussions

how to participate

To present your work or attend the conference please **go to www.meetyeti.in and register online**. Or, fill in the application form available at your department/institution and send to -

**Young Ecologists Talk & Interact,
c/o Centre for Ecological Sciences, Indian Institute of Science,
Malleswaram, Bangalore-560012**

conference costs

A nominal registration fee of Rs. 500/- would be payable. This includes lunch and tea for three days and two dinners. Outstation presenters will be provided accommodation free of cost for three nights. However, YETI will not be able to provide any support towards travel.

last dates

- Applicants who wish to **make oral/poster presentations** should register and submit abstracts by **15th August 2010**.
- People who wish to **only attend** should register and confirm their participation by **1st October 2010**.
